Hi all,

We had a few people reach out for Spanish translation at the meeting. We are not able to provide translation at the meeting but we wanted to at least provide translated slides.

Alejandra, if you want us to translate your slides, we can do that. Just send us a pdf copy.

Rachel, is it ok that we translate your slides since they're already embedded in ours?

Thanks all,

Kerry – Can you try to get the slide deck from Alejandra and see if she is okay if we get them translated or if she is translating them?

Also, can you ask Utah if they are okay if we translate their slides within this deck? I went ahead and sent this off for translation but we can take their slides out if they have concerns.

Hi Nancy – Do you mind sending these slides off to get translated for the Region 8 meeting. We are hoping to get them back by 4PM ET on Thursday if at all possible. I've attached a PDF and PowerPoint – please let me know which the translator prefers.
